

Adult Facility Based Services **Updated 12.17.10 (JEF)**

Population Served

Services are provided to individuals who have been found eligible to receive Adult Services through the Summit DD Board and the State of Ohio and have a desire to work in a center based environment, participate in habilitation activities or a combination of both services.

Settings

Services are provided in Summit DD facilities located around Summit County. Individuals are encouraged to receive services in the facility located near the residence and in their community. See website for actual locations of facilities.

Hours of Services

Services are typically provided between the hours of 8:15 a.m. and 4:15 p.m. The day program participant is typically at the center for 6 hours a day. However, this schedule may be modified based on the individual's needs.

Days of Services

Services are provided daily Monday through Friday.

Frequency of Services

Frequency of services is discussed with the individual and through his/her team to determine how frequently the individual would like to attend the day program.

Payer Sources

Services are funded through a combination of funding sources including Federal, State and Local Levy dollars.

Fees

There are no out-of-pocket fees to participate in facility based programs at this time.

Referral Sources

Anyone may make a referral for Summit DD Services by contacting the Intake Department. Once an individual is eligible for services, a Service and Support Administration Coordinator is assigned and will assist the individual with choosing a provider for day program.

Specific Services Offered

Adult Day Supports: These are non-vocational day services needed to assure the individual is functioning to his/her best abilities. Services consist of assessing interests, supports and services provided at the centers. Supporting and supervising individuals in the area of personal care include attending to their personal hygiene, eating

assistance, communication, mobility and restroom assistance which will ensure an individual's ability to experience and participate in community life.

- **Vocational Habilitation:** These are services designed to teach and reinforce concepts related to work, including responsibility, attendance, task completion, problem solving, social interaction, motor skill development and safety. Contract piece work is the vehicle to learning these skills and earning a paycheck.

A combination of both programs is available. An individual must be able to participate in vocational habilitation a minimum of 10 hours per week.
