FOCUS GROUP REVIEW – Committee reviewed the focus group discussion guide for the Parent Guardian and School Professionals groups. The group provided suggestions to modify the questions in the guide. The modifications include language changes, the addition of questions concerning SSA services, the addition of demographic type of questions, and changes to the script. These modifications are to be reviewed again by the PAC group, and then submitted to CMOR (focus group facilitators) for use. To ensure that the respondents on the focus group are not professional staff or court appointed guardians, the relationship between the respondent and the person served will be screened prior to participation on the focus group.

REMINDER – Feel welcome to email jgeorge@summitdd.org or myannayon@summitdd.org with any topics you would like included on the next meeting agenda.
